

Quick Action Corn Cure

"Gets-It" Stops Pain Instantly and Corn Soon Lifts Right Off.

A few drops of "Gets-It" quenches corn pains like water quenches fire. Gives you immediate relief.

"Gets-It" Feels It Off

The corn begins to lose its grip at once. In a day or two it is so loose that you can lift it off, roots and all, twist thumb and finger. That's the last of it, as millions have found out. It is the simple, effective and common-sense way to be rid of corns.

"Gets-It" the never-failing, guaranteed, money-back corn remover, costs but a trifle at any drug store. Mfd by E. Lawrence & Co., Chicago.

Sold in Cookeville and recommended as the world's best corn remedy by Women's Drug Company—two stores.

ARE YOU A TARGET FOR INFLUENZA?

It Hits Listless, Run-down People First—Their Blood Is Thin

Germs Everywhere in Epidemic

Be Prepared—Strengthen and Build Up Your Own Blood With Pepto-Mangan

If it is true that you are not feeling your best—if you have that "always-tired" feeling and no interest or enthusiasm—then you should be careful of the influenza.

It is thin-blood, anemic people that disease strikes first. The fact that you have a very few serious illnesses has nothing to do with it. Everyone gets run-down occasionally, and when they do, the blood is in no condition to fight off disease germs, because it has not enough red corpuscles. It is the red corpuscles of the blood that fight disease and save you from sickness.

You simply can't afford to take chances when influenza is striking down thousands everywhere. Fortify your blood—build it up with the pleasant tonic, Pepto-Mangan.

And should you be just recovering from influenza, you need Pepto-Mangan because your blood has exhausted its strength. Pepto-Mangan will help build you up.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. Comes in either liquid or tablet form. No difference in medicinal properties.

Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by the name and be sure the full name is on the package. (Advertisement.)

MRS. ALMIRA DAVIS Again the death angel has come to our community and claimed for its own our dearly beloved sister.

Almira Pendergrass was born Feb. 12, 1841, and died Jan. 30, 1920; age 78 years, 11 months and 18 days. She was married to C. J. Davis March 29 1860. To this union was born ten children, nine of whom are still living, Lillie Pearl having died in infancy. Those surviving are: Mrs. H. N. Ritchey of Hale Center, Texas; Demps Davis of Bova, Texas; Travis Davis of Grenada, Mississippi; George Davis and Mrs. Peyton Peek and Mrs. Alpheus Judd of Lubbock, Texas; Mrs. John Williams of Algood; Jesse and Erastus Davis of Cookeville.

Mrs. Davis leaves 54 grand-children, 37 great-grand-children, and one brother, who is now 86 years old.

Sister Davis professed hope in Christ at an early age. She joined the church and lived a faithful member until her death. There is none who labored more faithfully and earnestly than she.

She bore her afflictions patiently and always met every duty with a smile.

The home is made lonely by her absence. A place is vacant that can never be filled. But we should not grieve for we earnestly believe that she is resting peacefully in the arms of Jesus. Though we cannot hear her sweet voice or feel the

touch of her gentle hand, we know she is happy with God and his holy angels.

She always had a kind word for everyone. She was a good neighbor and a very loving mother, indeed. She will be sadly missed by her children, especially by the one who has so faithfully cared for her the past three years.

Cheer up, sad hearts; mother cannot come back to you but you can go to her if you will only follow the example that she has left for you.

She has paid the debt that we all soon must pay.
